

Information on Handling of Personal Data

Ms. Victoria Fontana Cerra is responsible for the processing of your personal data, with CIF X3943340J, postal address Glorieta de Santa María de la Cabeza, 9, 2 derecho, 28045 - Madrid, telephone 651 101 336 and email victoria@mindgazing.com.

Your data is processed, including, where appropriate, your health data, in order to assess whether your application for enrollment in the course meets the requirements to access it, and, in the case of being admitted to said course, the data will be processed for the development of this. Also, based on the information provided, we will prepare a profile. No automated decisions will be made based on that profile. The basis that legitimizes this treatment is the consent of the interested party. Specifically, the categories of data processed are those requested in the form, through which you provide us with your data. The consent can be revoked at any time, however, this will not affect the legality of the data previously processed. You are not obliged to provide personal data. However, in the event that you do not provide them, your application cannot be assessed and, therefore, you cannot enroll in the requested course. If your application is not suitable to carry out the course, the data will be deleted.

If you check the box enabled for sending commercial communications, including by electronic means, the data will also be processed for this purpose. Through these communications, you will be informed about the different products or services offered by Victoria Fontana. The data will be processed on the legal basis of the consent of the person who provides it. Such consent can be withdrawn at any time, although this will not affect the lawfulness of the treatments carried out previously. In any case, the authorization to process your data for this purpose is voluntary and its refusal would only result in the fact that you would not receive commercial offers for our products or services. The data for sending commercial communications of our products or services will be kept indefinitely, until, where appropriate, you express your willingness to delete them.

In the case of sending commercial communications, we use "Mailchimp" to send them. The use of Mailchimp may involve international data transfers, although said entity applies adequate security measures by adhering to the EU-US Privacy Shield agreement. - Information available at:

<https://www.privacyshield.gov/participant?id=a2zt000000TO6hAAG&status=Active>. The data will be transferred to Atlanta, Georgia.

You have the right to obtain confirmation on whether we are treating personal data that concerns you, or not. You have the right to access your personal data, request the rectification of inaccurate data and request its deletion when, among other reasons, the data is no longer necessary for the purposes for which it was collected. In the conditions you can legally request the limitation of the processing of your data or its portability, in which case we will only keep them for the exercise or defense of claims. All these rights can be exercised through the means of contact listed at the beginning of this clause.

Faced with any violation of your rights, especially when you have not obtained satisfaction in your exercise, you can file a claim or obtain information about your rights from the Spanish Agency for Data Protection (www.aepd.es).

If you provide data from third parties, you assume the responsibility of previously informing them of everything provided for in article 14 of the General Data Protection Regulation under the conditions established in said provision.
